B. JAYARAM,
Medical Officer.

McGANN HOSPITAL, SHIMOGA.

Tender Notice dated 24th October 1937.

1. Notice is hereby given that sealed tenders in triplicate on half-sheet foolscap-sized paper will be received at the Office of the McGann Hospital, Shimoga, by the District Medical Officer, at 11 A.M., on 22nd November 1937, for the supply of articles of diet, etc., required for the McGann Hospital, Shimoga, including Maternity from 1st January 1938 to 31st December 1938, both days inclusive, as per list annexed.

2. No tender will be received after the date and hour abovementioned.

3. Tenders should be superscribed "Tender for the supply of provisions for the McGann Hospital, Shimoga, including Maternity."

4. Tender must be accompanied by a deposit of Rs. 50 in treasury receipts. Cash will not be received.

5. Tenders will be opened by the District Medical Officer in charge at his office on the date and at the hour abovementioned in the presence of such tenderers as may choose to attend.

6. The rate for each item must be specified in figures as well as in words and they must be for the particular kind or brand of the articles specified in the list appended hereto. The value of each tender must be worked out according to the rates tendered and the total value must also be entered in words in red ink. Tenders not conforming to this rule will be rejected.

7. The quantities stated in the lists are not guaranteed.

8. The Senior Surgeon does not bind himself to accept the lowest or any tender or to assign any reason for not accepting any tender.

9. The deposit of the successful tenderer will be retained and will be forfeited to Government, if he fails to complete the contract by executing the necessary agreement and furnishing the required security to the amount of Rs. 100 within three days from the date of his receiving intimation of the acceptance of his tender.

10. No advance of cash will be made to the contractor. Payments for the articles supplied in each month will be made as soon as possible after the 10th of the following month on his producing the necessary bill with vouchers.

11. A store-room will be made available to the contractor in which he can keep all non-perishable articles of which, not less than one month's supply must always be in stock. Perishable articles, such as vegetables, meat, etc., must be at the hospital at 7-30 A.M. daily. All articles, except when mentioned otherwise, should be of the first sort and any articles rejected on account of inferiority should be promptly replaced by articles of the required quality, or will be purchased by the hospital authorities from outside and the charges debited to the contractor.
